

5th Grade News

From room 305

October 19th, 2016

News from Ms. McGrath

The 5th graders just took their Science test today. Students should be making test corrections after every test that they get back. Next we will be talking about how humans affect their environment.

In Religion students are learning about Jesus as the Son of God and the role he played on Earth. Students should make sure to keep up with handwriting pages.

We will continue to have D.A.R.E. every Thursday. Officer Ramos assigned three different pages for homework: pg 2, pg 31, and the top four definitions on pg 37. She will check it tomorrow.

Upcoming tests and quizzes:

- Spelling test on Friday in Language Arts
- Social Studies Geo quiz 2 on Mon or Tues

Upcoming Events

The students saw a presentation about bullying today. Feel free to continue the conversation of treating others the way we would like to be treated.

The students looked great in their pink! Thanks to all the students and their families for making contributions. Our class alone collected \$72!

This Friday, the 5th graders are presenting a play about the life of St. Viator during our all-school mass. Mass will be at 9:30 am. Please join us!

News from Mrs. Johnson

The children are wrapping up chapter 2 in math. There was some confusion regarding what was included on today's math quiz. We did cover section 9.1 in class. Although examples in the book included fractions, we studied line plots as a type of graph only using whole number examples. We will not always be completing the chapters in succession so I will modify what is in the text from time to time. Thank you to the parents who reached out with questions.

News from Mr. Slawik

The students finished and presented their Native American village models. They will have Geo 2 quiz on Monday or Tuesday. They are now beginning Chapter 3.

News from Mrs. Smith

Spelling test Lesson 8 was returned. Spelling test Lesson 9 will be on Friday. The students took the sentence test this week. The next grammar unit will concentrate on identifying and using nouns and adjectives. The students will begin an expository writing project, in class, this week. Small groups will create, and advertise, a new sensational candy, just in time for Halloween. Spelling lesson is due tomorrow: test is Friday. They continue on the conclusion of their narrative rough draft.
