

5th Grade News

From room 305

February 9th, 2017

Upcoming Events

We hope to see everyone at the Valentine's dance tonight. If you don't have your tickets yet, you can purchase them at the door.

Next Tuesday we will have a classroom Valentine's Day party. Children may bring cards and/or treats to share with their classmates. There are 20 students in the class. If you haven't worked on Valentines yet, please do not put student names on the outside of the card or envelope. Simply have your child sign his/her name on the Valentine. This makes it much easier for the children to pass out the cards in class. Students can wear pink or red and jeans or sweat pants.

News from Mrs. Johnson

The students are studying chapter 5 and will be taking a quiz on Monday.

News from Mr. Slawik

The fifth graders have been learning about the colonies.

News from Mrs. Smith

In Language Arts class, the students received a study guide on Monday for the English test. The noun/adjective test is Monday.

News from Ms. McGrath

In Science, the 5th graders are finishing up their study of plants. They will have a test at the end of next week.

Unfortunately, we have had some instances of mean behavior in our class. We have been talking about the importance of treating everyone with kindness; and using humor to bring others up instead of bringing them down. Please feel free to continue this conversation at home.

Upcoming tests and quizzes:

- Noun/Adjective test on Monday in Language Arts
- Quiz on Monday in Math
- Plant test at the end of next week in Science
