News from Mrs. Shutt

This week in Reading, we are beginning work on the novel, Frindle, and will continue to work with it for the next several weeks. In addition to reading and discussing the novel, we will be analyzing the novel using literary devices such as characterization and conflict. We will also be using the novel to enhance our study of verb tenses, adverbs, and preposition. In Language Arts, we will be focusing on verbs and principal part of verbs. There is no spelling test this week. Workbook pages were assigned today that are due on Friday.
