Back to School!

The 5th graders have already started the year with enthusiasm and good attitudes. I am looking forward to getting to know them better throughout the year, as well as meeting all of you. A great opportunity to do this would be on September 1st at parent night.

I would like to welcome a few new families to the school; Julian Cabanin, Santino Carideo, and Jayden Freelove are new to our class this year.

If your student is taking a foreign language through Rosetta Stone, they should have a pair of headphones with a USB connection.

Make sure your child has an extra shirt or smock for messy art projects.

Book order forms have been sent out and are due with payment by September 7th. Our class code is Q7QRH if you plan to order online.
