News from Mrs. Johnson

The students are working on multiplication with multi-digit numbers. Mrs. Johnson has noticed that many students are rusty on their facts. The children should be studying their facts nightly. Remember if there is no written homework the kids can practice using the Arcademic website, <http://www.arcademics.com/>, or use an app such as meteor math. Flash cards or even playing cards can be used to practice the multiplication facts. Mathletics is also a good resource for additional practice.

Students will receive their re-quizzes back today.

The chapter test will be next week.
