

5th Grade News

From room 305

September 28th, 2016

Upcoming Events

The students had a great time at our field trip on Monday. We worked hard to make meal packs for children in underdeveloped countries. With the amount of food we packed, we ensured that 38 children would have enough food for a whole year!

Parent-teacher conferences are coming up. You will get confirmations about your appointment time soon.

News from Mrs. Johnson

The chapter test will be on Monday. Please spend time reviewing at home.

News from Ms. McGrath

In Science, the 5th graders are learning about symbiotic relationships and how animals, including humans, affect other organisms and the environment around them.

In Religion students are learning about the attributes of God. Students should make sure to keep up with handwriting that they do not complete in class.

News from Mr. Slawik

Continue Chapter 2 - Vocab quiz Friday - Test next week. Geo 2 retakes Thursday at lunch. I have been noticing that some of the children are not properly preparing for quizzes and tests, and they are not taking advantage of the online practice to help them prepare. This practice can be found at: quia.com/pages/dslawik/5th. Also, your children should be reviewing their class notes on a daily basis. The best preparation is progressive and not last minute.

News from Mrs. Smith

Spelling lesson 5 Test was returned. The lesson 6 Spelling test will be on Friday.

In English, the students continue recognizing direct and indirect objects. The Spelling lesson this week is a review lesson, which means it is not listed on Spelling City and the test will be multiple choice. In Reading class, they continue to read the excerpt from The Island of the Blue Dolphins. The students will create a survival guide.

Upcoming tests and quizzes:

- Spelling test on Friday in Language Arts
- Math test Monday
- Geo quiz retakes on Thursday at lunch
- Vocab quiz on Friday in Social Studies
- Social Studies test next week
