## News from Ms. McGrath

The 5<sup>th</sup> graders received their science quizzes back yesterday. We will begin our unit on the interaction of living things this week.

In Religion, the students are learning about the importance of bible passages and how the Word of God is spread. We have also been practicing cursive in our handwriting prayer books. Students are assigned two pages at a time and should finish at home if they did not complete the pages in class.

## Reminders

- ❖ If your student is taking a foreign language through Rosetta Stone, they should have a pair of headphones with a USB connection.
- ❖ Make sure your child has an extra shirt or smock for messy art projects.
- ❖ Book order forms are due today and can still be entered online tonight. Our class code is Q7QRH if you plan to order online.
